

**The Theatre District - Milton Keynes**

.....  
**Contractor**

Wilson Bowden Properties

The Theatre District, as implied by the name, is located adjacent to the Milton Keynes theatre and houses a variety of restaurants and leisure facilities.

.....  
**Steelwork Design**

Caunton Engineering

Caunton undertook the connection design, detail, fabrication and erection of the steelwork.

.....  
**Architect**

The Stephen Greenbury Partnership

The Architects concept design called for a total of buildings featuring curved roofs and facades to major effect. Principle first floor structured members to the line perimeter of the buildings were left exposed to form an existing theme across the development.

.....  
**Engineer**

The BWB Partnership

.....  
**Steel Tonnage**

800 tonnes
