Caunton Engineering was most pleased to have been awarded the contract for the main and secondary structural steelwork for three new units by main contractor Glencar Construction.

Contractor

Glencar Construction
.....

Glencar was awarded the contract by specialist logistics commercial property developers Bericote Properties to construct 780,000 sq ft of speculative industrial space across three new units at a site known as Coventry Logistics Park.

Architect

Corstorphine and Wright
.....

It features three units of 484,000 sq ft, 251,000 sq ft and 47,000 sq ft, which have been designed by leading architects Corstorphine & Wright. The structures require a total of over 2000te of steelwork designed by Caunton's own technical team.
