**Steel Tonnage**

1,504 tonnes

Caunton designed, supplied and erected the 1,504 tonnes of steelwork for the structural framing, internal and external offices and canopies for the new 400,000sq.ft warehouse at the Unity Yorkshire development in Doncaster by main contractor, Bowmer and Kirkland.

Unity Yorkshire is an award winning development situated in a prime strategic location on the eastern section of junction 5 of the M18. The scheme covers an area of 618 acres and provides excellent access and connection to road, rail and sea. The developer is Rula Developments, acting for client Blackbrook Properties.
